

Harrys

CHOICE
THE ONLY CHOICE

ALPHAFIBRE

Harrys Choice AlphaFibre contains alfalfa, cold pressed, expelled, GMO free soy oil and Hi Form Completavite™ to provide your horse with an excellent balance of vitamins, mineral tissue salts, amino acids, trace elements and organic herb extracts. Horse owners are only required to top up with Hi Form Completavite™ with small dose levels to achieve the perfect balance. Dose rate will depend on the level of feed. Harrys Choice AlphaFibre is suitable for horses who suffer from the following conditions: Laminitis, EMS, Insulin resistance or Cushings Disease.

- NO BY-PRODUCTS • NO ADDED NASTIES • NO MOLASSES • VERY LOW IN STARCH AND SUGAR •
- HIGH IN ROUGHAGE USING ALL-NATURAL ORAL GRADE, VITAMINS, AMINO ACIDS, ORGANIC HERB EXTRACTS, TRACE ELEMENTS AND MINERAL TISSUE SALTS • GRAIN FREE •
- HIGHLY PALATABLE AND DUST FREE • IDEAL FOR HORSES WITH DIGESTIVE ISSUES •

From the paddock to the feed shed, Harrys Choice is a unique, high quality feed formulated using the latest cutting-edge research and ingredient technology available. Hi Form Australia, one of Australia's most advanced, successful and reliable equine supplement companies has joined forces with Northern Valley Stockfeeds to produce the best viable feed options for the ongoing health and well-being of your horse in their Organic Certified Mill. Harrys Choice contains a high roughage content which is exceptionally important for the horse's gut health and longevity. Harrys Choice and Hi Form Australia offer the horse owner the opportunity to meet their horse's daily requirements in exact measures. Harrys Choice the only Choice.
